

## State Commander Chase Of American Legion to Visit Local Post Oct. 16

Will Be Guest at Dinner and  
Will Have Interesting Mes-  
sage for Members.

### OTHER POSTS INVITED

Will Tell How Clearfield Financed  
Home; at Noon on Day of Visit Mr.  
Chase Will Be Guest at Joint  
Luncheon of Kiwanis and Rotary.

The members of Milton L. Bishop  
Post of the American Legion are  
preparing for a "big time" at their next  
meeting on Thursday, October 16,  
which will be held in the Kiwanis  
club rooms. At that time officers for  
1925 will be nominated. The election  
will then be held at the meeting in  
November.

Prior to the post meeting the Le-  
gionnaires have arranged for a tea-  
timonial dinner to the state com-  
mander, J. Mitchell Chase, a member  
of John Lewis Shade Post, No. 8, at  
Clearfield, and for the past three years  
commander of the post. Commander  
Chase made an excellent record dur-  
ing his term of office as post com-  
mander, increasing his membership  
from 234 to 312. By his excellent record this year his post  
was awarded one of the four mem-  
bership cups given by the state de-  
partment at the Greensburg conven-  
tion.

In addition to achievements alone  
membership since his post also dur-  
ing the present year moved into a new  
home which the members of the post  
financed without any outside help.

During the war Commander Chase  
served in the Army Air Service, being  
overseas for 18 months.  
The committee arranging for the  
dinner, which will be served in the  
Kiwanis rooms at 6:30 o'clock on the  
evening of October 16, will forward  
to adjoining posts of the community  
namely, Scotland, Mount Pleasant,  
Uniontown, Davidson, Vanderbilt, and  
Dunbar invitations for members of  
the respective posts to attend. The  
dinner being given by the local com-  
mittee will be the first that has been  
tendered the new state commander  
since his home town of Clearfield.

Commander Chase in his talk to  
Legionnaires will tell them how the  
home proposition was handled by the  
Legionnaires of Clearfield.

In addition to being present for the  
Legion meeting on October 16, Com-  
mander Chase will be the guest at a  
joint meeting of the Rotary and  
Kiwanis clubs to be held on Thurs-  
day, October 16, at noon in the Ki-  
wanis rooms. At this time Com-  
mander Chase will tell the Kiwanis  
members of some of the work the  
Legion is doing in Americanism and  
child labor work.

The committee appointed to make  
arrangements for the reception of  
Commander Chase and the program  
for the day have been working for  
some time. This is the first time  
that the local Legionnaires have had  
the honor of entertaining a dinner for  
a state commander and it is predicted  
that the coming Legion event will  
surpass some of the past ventures of  
the post, which have been very suc-  
cessful.

The members of the committee  
having charge of this meeting are  
Max C. Floto, past commander, chair-  
man; William H. Myers, Correll J.  
Fooler, Joseph D. Reed and Fred  
Fridner.

### DUNBAR MAN FOUND DEAD IN MOUNTAIN NEAR JUMONVILLE

The body of a man found under a  
tree near Jumonville Sunday by Rob-  
ert Wilson of Evans Station and Earl  
Martha of Cookspring was identified  
as Johnathan's morgan in Uniontown  
today as that of Joseph Wilson of near  
Dunbar, who had been missing.

Wilson, it was said, had gone to the  
region back of Jumonville to search  
for work on a sawmill. He was out  
with several companions Saturday, Sep-  
tember 27, it is believed he died of ex-  
posure during the rainy period that  
followed.

Wilson was about 55 years old.

Mrs. Marcella Mary Low.  
Mrs. Marcella Mary Low, who re-  
ported to be very slightly improved this  
afternoon at her home in 1241, Crawford  
avenue where she has been lying  
near death for several days. While  
physicians and nurses were doing  
what they could they held out little  
hope for Mrs. Marcella who is 78 years  
old. Her heart is very weak.

## RESUMPTION OF MANGANESE PLANT SEEMS PROBABLE

Bondholders Engaged in Work  
Refinancing and Rehabil-  
itating Properties.

### SCOPE TO BE ENLARGED

Operation of Timber Holdings and  
Opening of Large Blastings Quarry  
Contemplated When Industry Again  
Takes Under Way; Demand Good.

A movement is in progress, with  
reasonable assurances of success, to  
give still greater importance and  
value to Dunbar and this entire sec-  
tion of the plant of the American  
Manganese Manufacturing Company in  
the Furnace Town.

The bondholders, who recently ac-  
quired the properties under the sale  
by David Haisland, receiver, are now  
engaged in the process of making  
final settlement with the idea in view  
of reorganizing, refinancing and re-  
habilitating the properties. The ul-  
timate object is to place the com-  
pany in a position to continue as a very useful  
and important factor in the prosper-  
ity of Dunbar, Connellsville and the  
surrounding communities.

In this effort an opportunity will  
doubtless be given the people of Con-  
nellsville to have a substantial part  
of the called interests of the Manganese  
Company at Dunbar when in full  
operation provide a payroll ranging  
from \$30,000 to \$50,000 per month, and  
furnish employment to a large force  
of men, many of whom are skilled.

The relations between the company  
and its employees have been character-  
ized by many acts and things indicat-  
ing a desire on part of each to pro-  
mote the other's best interests. In  
times of dullness in the iron trade the  
company has continued operation in  
order to preserve its organization intact  
and to give employment to as many  
men as possible.

At the present time, when both  
the pig iron and coke markets are in  
a weak condition, the company has  
been continuing the operation of its  
sawmill with a view to cutting off  
large timber holdings. At the same  
time the opening of a large blastings  
quarry is being seriously contemplated.  
This would be located on land ad-  
jacent to the Western Maryland  
railroad and would have a capacity of  
500 to 600 tons per day. The require-  
ments in highway construction in this  
section make the possibilities of this  
added industry look quite encouraging  
to the management.

## MRS. ANNA HARTZELL DIES AT AGE OF 98; HOME NEAR CONFLUENCE

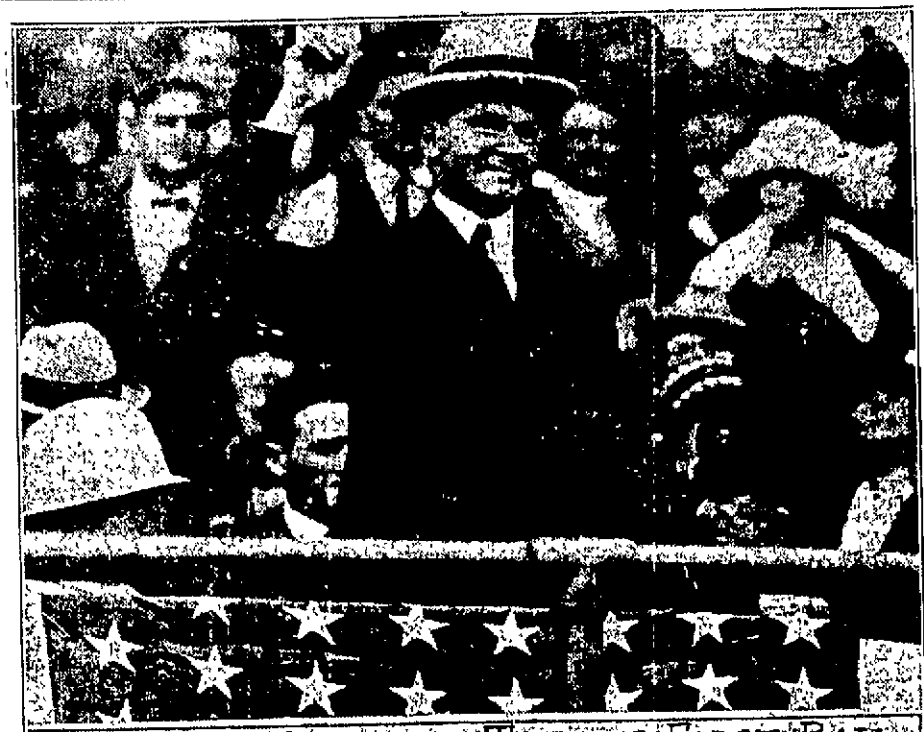

A stroke she suffered Friday caused  
the death today of Mrs. Anna Hartzell,  
probably the oldest woman in  
Somerset county. She was 98 last  
July 14. Up to the fatal stroke she  
was able to go about her home with  
the aid of a cane and enjoyed fairly  
good health, although she had not  
fully recovered from the effects of a  
light stroke three years ago.

Mrs. Hartzell was the widow of  
Malachi Hartzell, who died 30 years  
ago. She lived on a farm near Drake-  
town with four of her children.  
Fifteen children were born to Mr.  
and Mrs. Hartzell, of whom eight are  
living. A son, George, was killed at  
the Battle of Gettysburg, in which also  
fell a son-in-law, Uriah Conn. The  
surviving children are Henry, Eliza-  
beth, Minnie and Norman Hartzell at  
home; Mrs. Rebecca Henry, Trent;  
Mrs. J. W. Burkholder, near Mill  
Run; Mrs. Emma Miller, near Dunbar;  
and Thomas Hartzell of Leipspring.  
There survive also 35 grandchildren,  
125 great-grandchildren, 25 great-  
great-grandchildren and four great-  
great-great-grandchildren.  
George Conn, the oldest grandchild,  
was born during the Civil War.  
Mrs. Frank Shockey of South Con-  
nellsville and Mrs. Ella Curtis of  
East Fayette street, Connellsville, are  
among the grandchildren.  
Mrs. Hartzell was a member of the  
Methodist Episcopal Church.  
The funeral service will be Wednes-  
day afternoon at Jersey Church, near  
Confluence.

## SEVEN KILLED IN RIOTS AS MENOCAL TRAIN TOURS CUBA

Climax Reached at Camaguey  
When Police Attempt to  
Break Up Meeting.

### TRAIN FIRED ON, DERAILED

By United Press.

HAVANA, Oct. 5.—Seven persons  
were killed and 57 wounded in politi-  
cal rioting at Camaguey last night,  
according to messages received here.  
The fighting started when police at-  
tempted to break up a meeting of  
former President Menocal, who is  
campaigning for another term as  
president of the republic. The firing  
lasted two hours and order was not  
restored until the military had been  
called out.

The clash came as a climax to an  
eventful day for Menocal and his  
party who are campaigning on a  
special train. Early Sunday the train  
was fired on by unknown persons and  
later four coaches were derailed.  
The assistant chief of police at  
Camaguey and two policemen were  
among the dead. A city inspector also  
was killed.  
The bloodshed followed earlier  
fighting Saturday when one man was  
killed and three wounded in a political  
quarrel in the province of Santa Clara.

## BYERS SEVEN 180-DAY HOGS PASS TON MARK

That records can be made in Pay-  
ette county was conclusively proven  
when T. F. Byers of Vanderhill pro-  
duced better than one-ton of pork  
from one litter of seven pigs in 180  
days.

Last spring when seven breeders of  
pure bred Poland China hogs became  
members of the Byers Pork Club, a  
club which organization functions  
state-wide there was little thought  
that it was even possible to produce  
anywhere near a ton of pork with less  
than eight pigs. This fact was borne  
out through the experience of Byers  
rulers through the core belt when  
not until last year had as few as eight  
pigs in one litter made the goal, yet  
it remained for Mr. Byers to prove  
the ability of Poland China to make  
such a phenomenal gain. A record  
which is a United States record is not  
achieved without special effort and  
Mr. Byers produced his litter under  
the McClellan county system of rais-  
ing hogs and the sanitary precautions  
in this system proved that a maximum  
gain could not be obtained unless a  
proper system of feeding and manage-  
ment has been adopted.  
The uniformity of this litter is very  
striking when it is discovered that the  
heaviest was but 16 pounds heavier than  
the lightest. The heaviest pig  
weighed 299 pounds and the others  
coming down the line until the 263-  
pound pig passed over the scales.  
J. M. Vail of State College weighed  
the pigs Friday. Frank Arnold was  
the local representative, making the  
weights official.  
This was Mr. Byers' first opportu-  
nity to produce a ton of pork. How-  
ever, he hopes to come through next  
year with a larger litter with pheno-  
menal weights again.

## Enrollment of Voters in City Is New Record

Total Is 5,883; Republicans  
Have Two to One Majority  
Over Democrats.

With Republicans numbering almost  
two to one over the Democrats, the  
final day for registering in Connell-  
sville was marked on Saturday by a  
large number of voters that hung  
up a total greater than any yet re-  
corded in the history of the city. There  
were 5,883 men and women enrolled.  
The city's total shows 2,388 of the  
voters gave the Republican party as  
their preference. Democrats have  
1,304 in line and the sum total of in-  
dependents, prohibitionists, socialists,  
progressives and others is 191.

The Third Ward was the heaviest  
registration with 337. The Fifth  
Ward is next with 748 and the Fourth  
Ward runs third with 609.  
In the Third, famous for its Demo-  
cratic majorities, the Republican  
registration shows 167 voters enrolled  
as compared with 398 Democrats. In  
every ward the Republicans lead, the  
greatest majority being in the Sixth  
ward where 249 Republicans stand against  
87 Democrats.

On Saturday there was a registra-  
tion of 204 voters in the First Ward;  
172 in the Second, 515 in the Third;  
278 in the Fourth; 283 in the Fifth;  
114 in the Sixth and 165 in the  
Seventh.

## GIANTS HANG UP THREE RUN LEAD ON WASHINGTON

Score at Close of Third Frame  
Puts National League  
Into Lead.

### HARRIS HAS AN ERROR

By United Press.

POLO GROUNDS, N. Y., Oct. 6.—  
Back home after holding their own  
in the invasion on Washington, the  
New York Giants, four times cham-  
pions, resumed the battle for the world  
championship with the Washington  
Senators in the third game of the  
series this afternoon.  
The day was ideal for baseball. The  
skies were clear and the sun was  
shining in mid August style. The  
field was fast and showed the result  
of the ground keepers labors since  
the regular season closed. The small  
bleacher section in centerfield was  
filled to capacity before noon and the  
unreserved sections of the upper  
stands had only a few vacant spots  
on the far wings of the big stadium.

New York's casual way of looking  
at a World Series was very pronoun-  
ced after the enthusiasm that had been  
shown by the stands in the two games  
at Washington.

When Art Nehf, the pitching hero of  
the first game strode across the field  
there was only a little demonstra-  
tion.

Batteries: For New York, McQuil-  
lan and Gowdy; for Washington, Mar-  
berry and Rief. Play started at 2:03.  
First Inning.

Senators—Lefebvre out, Frisch to  
Terry. Harris up. Harris flied to  
Young in deep right center. Rife  
walked. Goslin up. Goslin out,  
Frisch to Terry. No runs, no hits, no  
errors.

Giants—Lindstrom struck out.  
Frisch went out, Blongue to Judge.  
Young walked. Kelly was thrown out  
at first. Harris up. No runs, no hits,  
no errors.

Second Inning.  
Senators—Judge singled to center.  
Rife hit into a double play. McQuil-  
lan to Frisch to Terry. Peckin-  
pach went out, Lindstrom to Terry.  
No runs, one hit, no errors.

Giants—Terry singled to right. Wil-  
son missed the third strike. Jackson  
hit a grounder to Rife who tried  
for a double play, but Harris dropped  
the ball for his second error of the  
series, and both men were safe. Gowdy  
singled to left, scoring Terry and  
putting Jackson on third. Gowdy was  
thrown out trying to stretch his hit  
into a double. Goslin to Harris. Jack-  
son easily scored on Marberry's wild  
pitch. McQuillan was at bat when the  
wild pitch was made. The Giant  
batter was passed, as was Lindstrom.  
Frisch was hit by a pitched ball, fill-  
ing the paths. With a chance to be-  
come a hero, Young misplayed "Gowdy  
at the bat" by watching the third  
strike float over the pen. Two runs,  
two hits and one error.

Third Inning.  
Senators—Rife drew a pass, but  
Marberry forced him at second. McQuil-  
lan to Frisch. Lefebvre hit second out  
to Wilson. Harris ended the third  
by fouling out to Terry. No runs, no  
hits, no errors.

Giants—Blongue went to short for  
the Senators, and Miller replacing  
him at third. Peckinpach going out  
of the frame. Kelly singled to center  
and Terry followed with one to right.  
Kelly going to third. Wilson hit into  
a double play, Marberry to Blongue to  
Judge. Kelly scored on the play.  
Jackson bled. One run, two hits,  
no errors.

## Real Old-Fashioned Rally Of Republicans to Be Held Here Friday Evening, Oct. 10

### OUT IN COLORADO DEMOCRATS ARE FOR LAFOLLETTE

They Wanted McAdoo and  
Davis Is Not Radical Enough  
to Suit Them.

### COOLIDGE WILL WIN STATE

Real Fight Being on the State and  
Senatorial Tickets; Ku Klux Klan a  
Big Issue which has Divided Repub-  
licans; Will Not Effect National Tie

By DAVID LAWRENCE  
Copyright, 1924, by The Courier.

DENVER, Colo. Oct. 6.—What  
Chairman Butler of the Republican  
National Committee says about the  
coalition of Democrats and La Follette  
supporters is partly true in Colorado,  
but here as in other states the move-  
ment is a natural one based on local  
issues and is not the result of any  
organized plot or political strategy.

In Colorado, for instance, thou-  
sands of Democrats will vote for  
La Follette because they originally  
wanted McAdoo and Davis isn't  
radical enough for them. But all  
these votes plus all the normal  
strength of the radicals in this state  
would not be enough to give the Wis-  
consin Senator the electoral vote here.

President Coolidge will carry  
Colorado, not perhaps by as big a ma-  
jority as he did in 1923, but by a  
substantial figure. Democrats who  
are in a position to know the situa-  
tion concede that the state is lost  
though they are really working hard  
to get Davis to run in other west-  
ern states and they will continue to  
battle for their standard bearer to  
the end.

The presidential race is really of  
secondary importance in Colorado.  
The state is ruled by a national  
issue in which the Ku Klux Klan has  
taken up the cause of the majority  
of the community. The Klan is behind  
the Republican state and senatorial tick-  
ets. Governor Sweet, Democrat,  
running for re-election on an anti-  
Klan platform, is making enthusiastic  
speeches for John W. Davis.

Two years ago when the writer was  
in Colorado, the conservatives were  
worried about Sweet and were en-  
gaged in a strenuous effort to defeat him,  
as he was supposed to be radical, so-  
cialistic, and generally of a distur-  
bing disposition.

But the situation today is changed.

## CHINESE EASTERN RAILWAY TURNED OVER TO RUSSIANS

MOSCOW, Oct. 6.—The entire ad-  
ministration of the Chinese Eastern  
Railway was delivered to the Russian  
government in Mukden October 4, it  
was learned today. Leading members  
of the old management of the road  
were arrested in Harbin.

Delivery of the railway, it was be-  
lieved in some circles here, consti-  
tuted a virtual working agreement be-  
tween the Russian government and  
Chang Tso Lin, Manchurian war lord,  
who now is attempting to oust the  
central Chinese government from  
Peking.

LONDON, Oct. 6.—Heavy fighting  
north of Shan Hai Kwan, in which  
Marshall Chang Tso Lin's Manchurian  
army has driven back the troops of  
General Wu Pei Fu, is reported by  
the Daily Mail's Mukden correspon-  
dent. One of Chang's sections met  
success in the center of the opposing  
line and another carried out a flank  
movement.

Thousands of wounded are passing  
through Chin Wan Tao.

All the native newspapers in  
Northern China have been closed  
down and two Peking editors were shot  
for publishing news of Wu's defeat  
at the hands of Chang's troops. Signs  
of a general strike among Wu's  
troops have been paid, with eight months  
overdue, is also reported.

### UKULELE GIRLS TO APPEAR

They, With Firemen's Band, Will Fur-  
nish an Entertaining and Up-to-Date  
Program of Music; No Detail Over  
looked to Assure a Great Success

A real old-fashioned Republican  
Rally—the first for a long time—will  
be held in Connellsville Friday eve-  
ning, October 10, at 8 o'clock. The Or-  
pheum Theatre, which with its large  
seating capacity and other conven-  
iences is so well suited to gatherings  
of this kind, will be the place of  
meeting.

Darrell W. Smiley, chairman of the  
Republican County Committee, will  
preside. Other county officials and  
prominent Republicans from all sec-  
tions of the county have signified  
their intention of being present.

The principal address of the eve-  
ning will be made by Colonel Thomas  
S. Crago, former congressman-at-  
large. Colonel Crago is familiarly  
known to the people of this section  
and is nationally known as a con-  
vincing speaker. From close contact  
with national affairs over many years  
Colonel Crago has acquired a fund  
of information which it would be  
profitable for all citizens, without re-  
gard to party, to hear.

The musical features of the oc-  
casion will be provided by the Junior  
Republican Ukulele Girls and the  
Firemen's Band. The former made  
a decided hit with their songs and play-  
ing in the campaign to awaken the  
interest of citizens in registration as  
voters. They have a repertoire of  
original G. O. P. songs, which will add  
to the variety of the program and  
make it entertaining and interesting  
to the public at large, not alone to  
Republican supporters. The Firemen's Band  
is a comparatively new organization but  
it has already made a place for itself  
among the musical organizations of  
the city and has appeared upon many  
important public occasions.

The committee in charge, which in-  
cludes both men and women, who  
have been prominent in local Repub-  
lican activities, is giving close atten-  
tion to all the details necessary to  
insure the success of the rally, which  
is certain to be largely attended.

## United States Supreme Court Opens Its Term

By United Press.

WASHINGTON, Oct. 6.—With more  
than 700 cases on its docket the United  
States Supreme Court today opened  
its 182d term.

Chief Justice Taft presiding, an-  
nounced a change in the order of busi-  
ness for the opening day. Instead of  
adjourning immediately to call upon  
the President to notify him the court  
is in session the court entertained  
motions and heard oral arguments on  
the first cases on the docket. An un-  
usually large number of lawyers ap-  
peared to seek admission to the bar  
of the Supreme Court.

At the ending of today's sitting the  
chief justice and associate justices  
will proceed to the White House to  
file their reports to President Cool-  
idge.

## World Making Way Towards Peace, Red Cross Workers Told

By United Press.

WASHINGTON, Oct. 6.—The world  
in making more progress toward rid-  
ding itself of war "than we yet fully  
realize." President Coolidge said in  
an address here today before the an-  
nual convention of the American Red  
Cross.

"It is towards such an ideal that  
the race is now yearning and striv-  
ing," the President said. "It is mak-  
ing progress. The thought of rid-  
ding society of the very institution of  
war has seized powerfully on the minds  
of men. We shall not get it done by  
some magic formula in some inspired  
moment."

### Dr. H. C. McKinley Honored on His 84th Anniversary

Dr. H. C. McKinley, Meridenia veteran of the Civil War, celebrated the 84th anniversary of his birth on Saturday at his home, and in honor of the occasion he was treated to a surprise dinner which was served in the social room of the Main Street Brethren Church. The affair was arranged by the Dr. McKinley Camp, Sons of Veterans, and the Dr. McKinley Ladies' Auxiliary, both organizations having named their societies in his honor.

Dinner was served at 12:30 and covers were laid for near 100. Rev. H. L. Goughenour asked the blessing and also acted as toastmaster. The first speaker was Rev. B. A. Black, followed by Rev. J. Luther Prantz, Congressman S. A. Kendall, M. A. Ritter and L. W. Coburn of Somerset. Mrs. Charles Pitt represented the Ladies' Auxiliary and W. H. Habel spoke in behalf of the Sons of Veterans. Mrs. J. Luther Prantz was then called upon for a vocal solo and, in the air of "The End of a Perfect Day," she sang a selection composed by herself and dedicated to Dr. McKinley, who is a grand old man and a soldier brave and true. Dr. McKinley responded, thanking each and every one who had honored him on this occasion.

plays an important part in the trimming of tracks and coats. On this voluminous coat, white or light-colored bands make a striking contrast with the dark material. A button, trimmed with a small piece of the same material, adds its interest to the general effect. The coat is lined with red and gray flannel.

The Democratic party, Miss Margaret Dull of Conneltsville contributed a vocal solo and was accompanied on the piano by Miss Lella Colburn, also of Conneltsville.

"Women as a Factor in Politics" was the theme of the talk given by Miss Alpha French, Mrs. P. H. Polchert, who was assisted by Mrs. Tomlinson Phares. The next meeting will take place November 1 at the home of Mrs. Freda Wright Moore, Main street, Vanderbilt.

After prayer and the Bible lesson, there was an illustrated talk by Rev. J. H. Bridgman, pastor of the church. Mrs. Frank Dull gave a reading, on motherhood. Helen R. Hoover, and daughter, Jean, played a piano duet. A pleasing duet was sung, "Sonny O' Mine," by Mrs. George Santmyer. Four little girls, Mrs. Hoover, Helen Osterwe, Jean Hoover and Ethel Osterwe, presented an exercise, with a cradle in which the names of the babies were placed. A class of fifteen was promoted from the cradle roll to the beginners' department.

### A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have.

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to many patients a prescription made of a few well-known vegetable ingredients mixed with olive oil. You will know them by their olive color. These tablets are gentle workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headache, a bad, no-good feeling, all sorts of inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for time and note the pleasing results. Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 15c and 50c.

### MEALS FOR TWO

It seems quite a problem to most folks to have a variety without waste in a family of two. Usually the foods liked will have to be served in some form of disguise for days. Here is a soup for two:

Tomato Soup.—Melt one tablespoonful of butter in a saucepan, add one tablespoonful of flour, cook until smooth, add one cupful of tomato juice, one cupful of whole milk, and one teaspoonful of sugar with a pinch of salt or water. Simmer for ten to fifteen minutes, then pour through a sieve and serve hot with croutons.

Chicken soup is a great saver for a small family and one can will be sufficient for two.

A one-rib roast makes a fine dinner with potatoes baked around it. There will be some left for slicing cold and in a salad. The bone covered with cold water will make a small amount of brown soup stock.

### Mexican Sauce

Cook one onion finely chopped in two tablespoonfuls of butter for five minutes. Add one red and one green pepper and one clove of garlic, each finely chopped, also two tomatoes peeled and add one piece. Cook fifteen minutes, add one-fourth teaspoonful of celery salt and salt to taste. Lay the cold roast beef out in thin slices in the sauce, heat and serve on a platter with the sauce poured over the meat.

### Vanilla Sprague

Take one cupful of top milk, three tablespoonfuls of sugar, a few grains of salt, one-half teaspoonful of gelatin, two tablespoonfuls of cold water to soften it, one egg white. Scald the milk, add sugar, salt and soaked gelatin, strain and cook. When the mixture begins to thicken beat until light, add the egg white beaten stiff and a teaspoonful of vanilla. Mold and serve with berries and whipped cream.

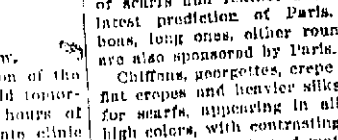

### Neckwear Is One of Season's Modes

Neckwear is the last word in neckwear this season. They are of every conceivable color and fabric and women in every sort of way, one rule connected with their correct adjustment being, however, that when worn with a coat only the scarf and neck of the house should show. Sometimes the scarf is worn around the neck, with both ends thrown over the shoulders. Fringe and tassels trim the ends of scarves and feather scarves are the latest production of Paris. Cashmere, long ones, either round or flat, are also sponsored by Paris. Cashmere, pongee, crepe de chine, flax, crepe and heavier silks are used for scarves, appearing in all the new high colors, with contrasting ends and in very gayly-patterned materials.

### Worn-Out Crash Towels Used for Wash Cloths

If crash towels wear out in the middle, use the ends for wash cloths. Finishing the edges with a buttonhole stitching or narrow, crocheted scalloped Ravages of mottos on men's clothing, today, are corrected by shape that take matching pieces of the material, reveal them and weave in the material so that they are scarcely detectable and the suit need not be discarded. Home mending, even the finest, can hardly compete with this new method, which is not unduly expensive, considering the work.

# MOTION PICTURE DIRECTORY

A GUIDE TO THE BEST PICTURES NOW BEING SHOWN

## The Soisson

By Manager C. A. Wagner:  
I am pleased to announce to the movie fans of Corneliustown and vicinity that the Soisson Theatre has again secured the franchise of the First National Pictures.

The franchise was held before by the Soisson Theatre but was given up when I thought that the pictures did not measure up to the standard demanded by our patrons.

Now, however, the First National are making better pictures than ever. Their stars are the brightest on the movie horizon, their directors the best and they are spending enormous sums of money on every production to give movie fans the best.

Every First National attraction booked is a new release. Not a one of them are last year's pictures. Below is a partial list of some of the pictures that will be shown at the Soisson.

This week's feature shows are:  
"Flowing Gold," reproduced from Rex Beach's famous story. Milton Sills and Anna Q. Nilsson are supported by a great cast.

"When a Man's a Man," a wonderful picture. John Bowers and Marguerite De La Motte are backed up by every resource of the First National.

Coming attractions are:  
"Sea Hawk," a great picture featuring Milton Sills. "Secrets," the latest production of Norma Talmadge. "Flaming Youth," with Colleen Moore. "Abraham Lincoln," the greatest picture since "Birth of a Nation," "Twenty One," starring Richard Barthelmess. "Lone Master," featuring the great doc, Strongheart. "Cytherea," Lewis Stone and Alma Rubens.

## The Arcade

Reviewers rubbed shoulders with critics. Eight promoters, screen actors, pugilists and prominent men, about town in the preview of the first three of Universal's "Fight and Win" series, starting Jack Dempsey, heavyweight champion of the world. The showing took place in Warlick's music auditorium, just off Times Square.

The first few feet of celluloid had no more than passed the projection shutter than a perceptible gasp of surprise rent the atmosphere of the hall. Jack Dempsey, super-caveman of the ring, with his square-cut, box-like face, cut a figure in which a Reginald Renny or a Richard Dix might be justly proud.

There is no question but that in the "Fight and Win" series Jack Dempsey makes good as a screen actor. Each unit of this series of two-reelers has as its integral substance a story which leads up to a fight. Here, of course, one finds Dempsey in his own "ballistic" and the way he makes his falling fists behave is something that will have the gentle ticket buyers pulsating in wild enthusiasm to the exploits of the greatest ringman that ever drew on a padded glove.

These two-reelers make excellent entertainment, viewing them from every angle by which films are judged. There are splendid comedy touches, and in the third of the series in particular Jack wins some real histrionic spurs by the manner in which he carries off his part in a bout full of burlesque, high humor and human interest. An actor movie actor Jack Dempsey has made good. Another exciting episode, "West of the Water Bucket," will be shown at this theatre today. In addition to Irving Lewis' Nittles of Broadway, big musical comedy comedy.

## Rely on America for All Sorts of Goods

From a Peruvian mining camp in the Andes came by mail to a New York department store not long since an order for food. The shipment made the last leg of its journey with the help of fifty pack mules, each of which carried 250 pounds up the steep, rocky trail. Says The Nation's Business: And from Alaska came an order for like feminine underwear and a hat which would wear six months. "The styles change only twice a year up here," the customer explained.

A woman in Paris wrote to another New York shop for a certain powder used to clean false teeth. A woman in Maracaibo, Venezuela, wrote for a certain brand of face cream. Another in Bermuda wanted just one drinking cup and got it. A customer in Peru got camera films, and books were sent to India and China.

Germans are America's mail-order customers for table delicacies, starch, salt, pepper and soap. Libia and Beirut, Syria, buy our foodstuffs by letter. Moscow, Warsaw and Latvian villages write for our canned goods. Italy, Denmark, Finland, Norway, Belgium, Switzerland and Sweden are on our department store books. In some cases misadventures are credited with the sales, in others returned immigrants.

And whenever the goods so they are voiceless ambassadors of the American policy of a dollar's worth for a dollar.

## By the Soisson Theatre

I am pleased to announce to the movie fans of Corneliustown and vicinity that the Soisson Theatre has again secured the franchise of the First National Pictures.

This franchise was held before by the Soisson Theatre but was given up when I thought that the pictures did not measure up to the standard demanded by our patrons.

Now, however, the First National are making better pictures than ever. Their stars are the brightest on the movie horizon, their directors the best and they are spending enormous sums of money on every production to give movie fans the best.

Every First National Attraction booked is a new release. Not a one of them are last year's pictures. Below is a partial list of some of the pictures that will be shown at the Soisson.

C. A. WAGNER, Manager.

## HOW FATHER JOHN'S MEDICINE BUILDS UP POWER TO RESIST DISEASE

Great Food Value of Cod Liver Oil,  
Blended With Other Valuable In-  
gredients by Exclusive Process.

Disease germs will not gain a foothold in a system which is in a healthy condition. There are countless germs floating around in the air all the time, but if the body is in proper health it has the power to resist them.

The best thing to do, therefore, is for those who are weak and run-down to build up the power of resistance and for this purpose Father John's Medicine is particularly valuable. It contains real wholesome nutriment in such a form that it can be easily assimilated to make new rich blood and tissue.

Cod liver oil—so rich in food value—is an important element of Father John's Medicine. By an exclusive process the oil is broken up into small drops which makes Father John's Medicine easy to digest.

Father John's Medicine is rich in nourishment and it is possible for even a weakened digestive system to digest its food elements and make them into the good, red blood, strength and vitality that every one needs to resist disease.

Contains no alcohol or dangerous drugs. Over 60 years in use.

### At the Theatres

#### The Paramount

The motion picture colony of Hollywood declared a holiday when "The Dangerous Trail" (the Anchor Film Distributors, Inc., big six-part outdoor production, was given its premiere at the Grand Theatre, Hollywood's "official" picture playhouse.

Located in the heart of the colony the Grand Theatre drew thousands of film players and studio attaches to the maiden showing of this great production.

The management of the Grand Theatre had introduced a novelty in Hollywood when it announced that on the preview of "The Dangerous Trail" it would send the beams of a huge searchlight shimmering into the dark heavens. Sure enough, on the night of the showing there was the white streak leaping into the sky.

Crowds flocked to the theatre. Both evening showings were enthusiastically received by huge crowds, which formed long lines in front of the theatre hours before the shows.

A special musical presentation, which will be supplied every theatre exhibiting this picture, added interest and enjoyment to the exhibition of "The Dangerous Trail." The entire cast of the picture, as well as the director, Mr. Alvin J. Neitz, were guests of the management of the Grand Theatre.

The picture is at the Paramount today and Tuesday.

#### The Soisson

"FLOWING GOLD"—Alice Calhoun makes her first appearance with First National in the Richard Walton Tully production of Rex Beach's powerful story, "Flowing Gold," which makes its appearance today, Tuesday and Wednesday at the Soisson Theatre.

She was loaned to Tully for this production because she seemed to fit so perfectly the role of Barbara Parkins, the girl who broke in this Beach epic.

Mrs. Calhoun is a native of Cleveland, Ohio, and secured her first chance in pictures via the beauty contest route.

In "Flowing Gold," she has a role well suited to her personality. She plays the part of a Texas girl who returns from four years in the East as boarding school, to find that her old father, the sheriff, played by Charles Sellon, has nearly starved himself to educate her. She immediately declares herself a partner

### The Orpheum

The cast of "The Dangerous Maid," a First National picture, is the greatest ever selected to support Constance Talmadge. It will be shown at the Orpheum Theatre today, Tuesday and Wednesday.

Besides Constance Talmadge, there are Conway Tearle, her leading man; Morgan Wallace, Tully Marshall, Marjorie Daw, Charles Gerrard, Lou Morrison, Otto Malletsen, Wilson Hummel, Kenneth Gibson, Ann May, Kate Price, Thomas Ricketts, Philip Dunham, Jack Dillon and Ray Hallor. It is a Joseph M. Schenck production.

The story of "The Dangerous Maid" is told in the turbulent times when the Duke of Monmouth rebelled against King James II of England. Constance Talmadge has the role of a madcap little rebel who dons a cavalier's sword and costume and engages in a thrilling series of adventures with the officers of the king.

Conway Tearle is the highest priced leading man in filmdom. He appeared recently with Norma Talmadge in "Ashes of Vengeance."

Marjorie Daw has long been one of the big stars of filmdom. Miss Daw plays the part of Cecille, cousin to Constance, who is cast as Lady Barbara Winslow. Marshall plays the part of "Blimey, the peddler."

Rankin, who is cast as a young fugitive of the rebel army, and brother to Cecille, claim kin with the Barrymores and Drews, two of the most famous families of the American stage.

Kate Price and Charles Gerrard are two well-known names to followers of film personalities. Morrison, Dunham and Gibson are also a veteran trio.

These stencils may be applied in a variety of ways, and they are so easy to use that they may be applied by anyone. The wall has been brought up to date, and the decorative possibilities are now unlimited. There are two ways of applying stencils. The first is by using a brush to apply the stencil to the wall. The second is by using a sponge to apply the stencil to the wall. Both methods are equally effective, and the choice is left to the decorator. The possibilities of this new "stencil" are almost infinite. While the painted wall done in a single color and
